

**FAEIS** is a comprehensive web based survey and database of student and faculty data from the 1862, 1890, 1994 and Non Land Grant institutions. The purpose of FAEIS is to gather, compile, and distribute a broad range of higher education information related to the food, agricultural and natural resource sciences.

FAEIS provides student enrollment, graduation, and job placement information, as well as faculty salary information. In 2003, 42/76 (55%) **BOHS** institutions completed Family Consumer Science (FCS) student surveys and 1,441 FCS faculty members were surveyed from BOHS institutions. Total FAEIS FCS student enrollment reported was 43,560 students; **BOHS** FCS student enrollment reported was 34,289 students in 2003.
